

## **Hiring Licensed Massage Therapists at Prime Sports Institute**

Prime Sports Institute is a fun, collaborative, multidisciplinary sports medicine clinic located in Bellingham, Washington. We offer competitive pay, flexible schedules, and many benefits of being a part of the Prime team.

Our mission is to provide our clients with athletic therapy to optimize performance, prevent injury and enable recovery. We believe in a collaborative environment because our clients and patients are our focus. Our core team values are: Community, Quality of Life, Growth, and Excellence.

Prime is seeking to hire fully COVID-19 vaccinated, Licensed Massage Therapists to work weekday, afternoons, and evenings as well as weekends. You will collaborate with our team of physical therapists, athletic trainers, other massage therapists, and strength coaches. LMT's must be licensed to practice in Washington State.

New graduates from massage school are encouraged to apply. We will train you in our methods of treatment massage.

### **Responsibilities:**

Assess, identify, and treat common non-emergent sports related injuries. Collaborate with athletic trainers at Prime Sports Institute to provide educated recommendations to the client, coaches, and parents regarding an athlete's ability to continue play and adjustments to their training schedules/plan.

Identify medical situations that require advanced medical care and refer where appropriate.

Document patient care using electronic medical records at Prime Sports Institute. Maintain a well-groomed, professional appearance.

Maintain a good working relationship with all staff and independent contractors at Prime Sports Institute.

Keep professional medical knowledge and credentialing up to date with changes and revised recommendations.

Keep license and other job requirements in good standing.

### **Job Type:**

Part-time/Full-time/Evenings/Weekends

**Location:** Bellingham, WA

**Preferred Attributes/Qualifications:**

Previous treatment and sports massage therapy experience. Ability to communicate effectively, both verbally and written. Overall good physical condition.

Self-driven.

**Compensation/Benefits:**

Compensation is hourly. We also pay for your charting time, and tips are allowed. All supplies and equipment provided. Laundry/linens are done by our clinic aides.

Opportunity to participate in special events.

Additional training opportunities through company programs.

**Our clients are:**

High school and club athletes

Adults who want to stay healthy, active, and avoid injury

Adults who have racing and wellness goals, or physically demanding occupations Adolescents and adults who are recovering from injury with the goal of returning to activity and sport

Elite and professional athletes
